Federal Election Commission 999 E. Street, N.W. Washington, D.C. 20463 Attn. OGC

Dear Sir/Madam,

Please receive this sua sponte letter in which I am reporting that I may have inadvertently committed an FEC violation by inadvertently leaving off of some of my campaign literature the tag: "Paid for by Larry E. Johnson For Congress." This was entirely accidental and not deliberate. For example, in a letter sent out on May 17, 2000 to Republican Delegates to the May 25,2000 2nd Congressional District Assembly, the notice was missing. I had written a personal note at the end of the letter, and in the process of making room for that note, I temporarily removed the notice and forgot to replace it.

Also, I'm not certain that the notice appeared on all of my email correspondence which was sent out under the title: "Larry E. Johnson For Congress Reports."

I am working diligently to make sure that this inadvertent oversight will not occur again.

Sincerely,

Larry E. Johnson
